

Yorkshire Wildlife Trust

Schools Learning Programme

Creative curriculum

Getting out from beyond the desk and out in the natural world can inspire real creativity as it captures your pupils' imagination. Using our nature reserves as a backdrop to learning we can cover a range of subjects including English, Maths, Art and Design, P.E. and much, much more. This practical approach supports young people develop their resilience, confidence and critical thinking as they learn through doing.

Our activities can be adapted for a **half day or full day** session with appropriate activities chosen based on your particular learning outcome needs and pupil age range.

Prices from **£100** ex VAT. Full details are on the 'Leader resources' section within the School sessions pages on www.ywt.org.uk

Learning outcomes may include:

- Reason mathematically and solve problems
- Participate in discussions, performances, role play and debates
- Produce creative work exploring their own ideas
- Consider and evaluate different viewpoints
- Work together as a team

Call **01904 659570** or email info@ywt.org.uk to find out more.
