Potteric Carr

Easily accessible on the outskirts of Doncaster, Potteric Carr Nature Reserve is an oasis for wildlife in an urban environment.

Covering over 200 hectares, the nature reserve comprises a mosaic of habitats, from woodland to wetland which is home to a great variety of wildlife.

Several areas of the nature reserve have been designed with learning in mind, and the site is the perfect setting for wonderful outdoor activities across a range of curriculum topics to suit all ages.

Completing the beautiful natural setting are superb indoor facilities with a well-equipped classroom, onsite toilets, coach parking and accessible paths.

Call 01302 365995 or email potteric.carr@ywt.org.uk to find out more or make an enquiry
