

## Who should I contact about injured animals?

Many people contact us regarding the discovery of an injured animal or bird. Unfortunately, we are a nature conservation charity, not a wildlife rescue charity, so we are unable to deal directly with injured wildlife.

Please see below for a list of organisations and charities that care for injured wildlife in Yorkshire. Whilst not all of these organisations will be able collect injured wildlife they can offer advice.

### Rescue and Rehabilitation Centres

Name	Number
Animal House	07581 219803
Glebe Wildlife Centre	01751 474937
Leeds Wildlife Sanctuary	01132 663626

Hull Hedgehog Centre	01482 502441
Little Silver Hedgehogs (York)	07989 555441
Ogles Hedgehog and Rehabilitation Centre	07954 138853

## Find out more

Find out more about Yorkshire Wildlife Trust and how to become a member, plus more about the work we do for wildlife by contacting us using the details below but please remember that although we are happy to offer advice we cannot actually rescue birds as we are a wildlife conservation organisation rather than a rescue charity.
