

Yorkshire
Wildlife Trust

Living Seas Centre 2020 Events Guide

Go wild this year and join us on the shore!

ywt.org.uk

Love Yorkshire, Love Wildlife

Living Seas Centre

The Living Seas Centre is Yorkshire Wildlife Trust's hub for our exciting Living Seas work and the perfect place to learn about Yorkshire's local marine wildlife. Whether it is exploring our ever changing displays, getting involved with activities in our Discovery Room, taking part in an event or having a relaxed walk around South Landing Local Nature Reserve and beach, there is always something to do!

How to find us

We are located at South Landing in Flamborough, on the edge of the car park and only a 5 minute walk from the beach. Our address is South Sea Road (South), Flamborough, East Riding of Yorkshire, YO15 1AE.

2020 opening times

The Living Seas Centre is open daily from Saturday 15th February to Sunday 29th November. Our Discovery Room is open at weekends and daily during Yorkshire school holidays. Our opening times are 10am to 4pm, extending to 5pm from 29th March to 25th October.

Throughout the winter months we will only be open for advertised days and events.

It is **FREE** to visit the Living Seas Centre but donations are welcome! All profit made through sales at the centre are put straight back in to our Living Seas work.

What to expect on our events

SEASHORE SAFARI

On a Seashore Safari you will be guided through the rockpools at South Landing to explore the shore and discover the weird and wonderful wildlife that lives there. Expect to find crabs, snails, fish, worms, anemones and many different seaweeds. Alongside experts from the Living Seas team you will be provided with a spotter sheet to help with identification. Wear wellington boots and dress for the weather. All equipment provided.

SEASHORE DETECTIVE

Take a walk along the strandline - the strip of debris left along the beach at the highest tide - at South Landing and become a Seashore Detective. With the help of experts from the Living Seas team we will be looking for treasures washed up by the sea and what these tell us about our local marine environment. Expect shells, rocks, fossils, mermaid's purses (shark and ray egg cases) and more! Wear sensible footwear and dress for the weather.

WAVES OF WASTE BEACH CLEANS

Help us clean our local beaches with our Waves of Waste Co-ordinators. All equipment will be provided and we will need your help to survey a set section of beach, logging all litter to help us better understand our local marine litter problems. Wear sensible footwear and dress for the weather.

MARINE LIFE PAST AND PRESENT

Join us as we look at the wildlife that lives in our rockpools today, and compare it with local fossils. If you love rockpooling and fossil hunting this is the perfect event for you! Wear wellington boots and dress for the weather. These events involve a walk of 2-3 miles.

Family events

These events are aimed at a family audience. Children of all ages are welcome but must be accompanied by an adult.

15+ Adult events

These events are aimed at an adult audience. Children 15 years and over are welcome to book on. These events may last longer or cover a greater distance than a family event.

What to bring

Events are carried out in all weathers so please check the forecast before visiting and dress accordingly. Wellington boots are best, or stout, waterproof footwear. All equipment is provided.

Booking essential

Free event

Booking is essential for all paid for events. This can be done online at ywt.org.uk/events or by calling **01904 659570**.

YWT Living Seas Centre

@YWTLivingSeas

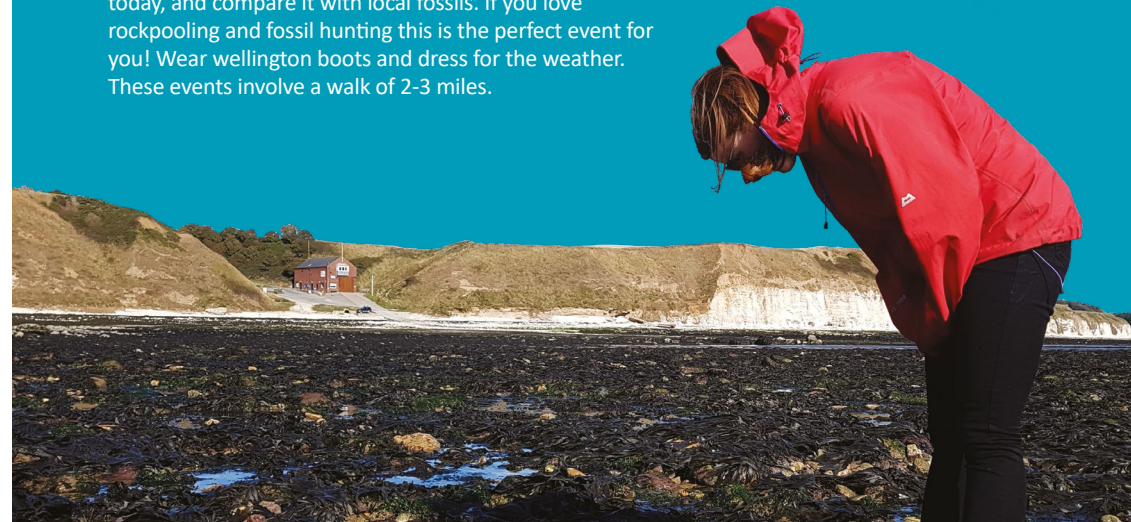

Our facilities: Light refreshments: We have a self-service bean-to-cup hot drinks machine, cold drinks, ice creams and snacks. We don't sell bottled water but are a registered Refill station and will happily fill up your reusable bottle with tap water!

Shop: We have a small shop with a range of wildlife themed gifts, books and local art and crafts.

Toilets: We have public toilets, including an accessible toilet, which are open 9am to 5pm between 15th February and 29th November. Baby changing facilities are also available.

Car parking: There is car parking adjacent to the Living Seas Centre and a small charge applies.

Accessibility: The Living Seas Centre is fully accessible. If you have any questions about this please do not hesitate to contact us on 01262 422103.

Spring on the Yorkshire Coast

Spring sees the coastal cliffs burst into bloom as we emerge from winter. Birds start returning to the cliffs or pass through on their journey towards their breeding grounds.

Spring Wildlife Weekend

Join us for a long weekend of **exciting activities** to celebrate our coastal spring wildlife. We will be teaming up with our friends at Flamborough Bird Observatory and East Yorkshire Bat Group, Filey Bird Observatory and Group, RSPB Bempton and Hull and East Yorkshire Swift Conservation to run an exciting series of events. Here are just some of the things happening between 8th and 10th May:

Daily Bird Ringing demonstrations at the Living Seas Centre

9am to midday

Seashore Walks at South Landing

Friday 8th May at 10.30am, Saturday 9th May at 11.30am and Sunday 10th May at 12.30pm

Evening talk at the Living Seas Centre

Friday 8th May at 7pm for 7:30pm start

Bat walk at Danes Dyke

Saturday 9th May at 9pm

Check our social media closer to the time for further details.

Other activities across the weekend include...

- Owl pellet dissection
- Moth trapping
- Build your own bug hotel
- Arts and crafts

Science Sunday

Living Seas Centre

Sunday 16th February; Drop in any time 10am – 4pm

For all those budding marine biologists out there. This month we will be looking at our marine mammals, so come and see our collection of whale bones and learn all about these magnificent creatures.

Seashore Detective

Living Seas Centre

Tuesday 18th February; 2pm – 3.30pm

Become a Seashore Detective and help us scour the beach for clues as to what lives off our shores. We will be searching for shells, eggs, bones and all sorts of other treasures.

Beach Crafts

Living Seas Centre

Wednesday 19th February; 1pm – 3pm

Join Active Coast and Yorkshire Wildlife Trust for some beach combing fun and create key rings, jewellery and crafts with your beach finds. Free event but booking essential via www.ActiveCoast.org

Seashore Safari

Living Seas Centre

Sunday 23rd February; 10am – 11.30am

Take a Seashore Safari in search of crabs, fish, snails, seaweeds and all sorts of other weird and wonderful wildlife.

Volunteer Open Weekend

Living Seas Centre

Saturday 29th February and Sunday 1st March; Drop in any time 10am – 4pm

Interested in volunteering with the Living Seas team? Then come along and see us this weekend and find out how to get involved.

Science Sunday

Living Seas Centre

Sunday 15th March; Drop in any time 10am – 4pm

It's British Science Week and this year's theme is 'our diverse planet'. Come along and learn about the amazing variety of wildlife we have here in the North Sea.

Seashore Safari Living Seas Centre

Sunday 15th March; 1.30pm – 3.30pm

As part of British Science Week 2020 we will be heading out on to the shore and recording everything we find in the rockpools! Join us to learn about our coastal diversity and take home a list of your safari finds.

Marine Life Past and Present Danes Dyke

Tuesday 7th April; 10am – 1pm

Join us as we go in search of marine life past in the fossils and marine life present in the rockpools.

Extreme Seashore Safari Living Seas Centre

Thursday 9th April; 11.30am – 1.30pm

Take a Seashore Safari in search of crabs, fish, snails, seaweeds and all sorts of other weird and wonderful wildlife. Today is an extra low tide so we can explore bits of the shore not normally uncovered.

Seashore Detective Living Seas Centre

Tuesday 14th April; 11am – 1pm

Become a Seashore Detective and help us scour the beach for clues as to what lives off our shores. We will be searching for shells, eggs, bones and all sorts of other treasures.

Science Sunday Living Seas Centre

Sunday 19th April; Drop in any time 10am – 5pm

For all those budding marine biologists out there. This month we will be looking at our local rocks and fossils.

Seashore Safari Living Seas Centre

Sunday 26th April; 12.30pm – 2.30pm

Take a Seashore Safari in search of crabs, fish, snails, seaweeds and all sorts of other weird and wonderful wildlife.

Nighttime Seashore Safari Living Seas Centre

Wednesday 6th May; 10pm – Midnight

Join us for a Seashore Safari with a difference. We will be heading out on to the shore under the cover of darkness to see what goes on in our rockpools at night!

Spring Wildlife Weekend Living Seas Centre and beyond

Friday 8th May to Sunday 10th May

Living Seas Centre open daily 10am – 5pm.

An action packed weekend of exciting events to champion our local wildlife. We will be teaming up with our friends at Flamborough Bird Observatory and East Yorkshire Bat Group, Filey Bird Observatory and Group, RSPB Bempton and Hull and East Yorkshire Swift Conservation. See full page listing for more details. Living Seas Centre open daily 10am to 5pm with free activities on in the Discovery Room and we will be doing a seashore walk each day!

Science Sunday Living Seas Centre

Sunday 17th May; Drop in any time 10am – 5pm

For all those budding marine biologists out there. This month we will be looking at shells and all the amazing creatures that inhabit them!

Seashore Safari Living Seas Centre

Sunday 24th May; 11.30am – 1.30pm

Take a Seashore Safari in search of crabs, fish, snails, seaweeds and all sorts of other weird and wonderful wildlife.

Rockpooling Adventure Living Seas Centre

Wednesday 27th May; 1pm to 3pm

Join Active Coast and Yorkshire Wildlife Trust as we follow the tide out at for a rock pooling adventure and finish with some beach art fun. Free event but booking essential via www.ActiveCoast.org

Marine Life Past and Present Filey Brigg

Thursday 28th May; 1pm to 4pm

Join us as we explore the geology and rockpools of Filey Brigg and learn what they tell us about our marine life past and present.

Peering at Puffins Flamborough Cliffs Nature Reserve Drop by any time 1pm to 4pm

Join expert volunteers on our Flamborough Cliffs nature reserve for unrivalled views of the nation's favourite seabird – the puffin! Our team will be equipped with spotting scopes to ensure you get fantastic views of not only puffin but guillemot, razorbill and kittiwake amongst others. This is a FREE drop in event. Come along any time between 1pm and 4pm.

Park in the car park at North Landing (small charge applies) and walk east along the coastal path towards Flamborough Head. You will soon see our volunteers on the cliffs. If the weather forecast looks poor please call the Living Seas Centre on **01262 422103** to see if the event is going ahead.

The team will be out on the following dates:

Sunday 24th May
Sunday 31st May
Sunday 7th June
Sunday 14th June
Sunday 21st June
Sunday 28th June
Sunday 5th July
Sunday 12th July

Come and look
for puffins on
the cliffs!

MARTIN BATT

SPURN SAFARI

Visit the iconic Spurn National Nature Reserve on a unique wildlife safari, aboard our all-terrain vehicle. You will see and learn about Spurn's fantastic wildlife and rich history, and get the chance to explore the peninsula, including a trip to the Spurn Lighthouse. A must for all families!

Book today ywt.org.uk/whats-on

Safaris last for 3 hours. Space is limited on each trip so book early to secure a seat. Suitable for ages 4 and over.
£20 per adult
£9 per child

Home Education Connection 2020 Programme

Join us at the Living Seas Centre to learn more about our local seas and marine wildlife. Each session has a different theme and teaching will take place both in our Discovery Room and on the beach at South Landing. Perfect for all those budding Marine Biologists and wildlife enthusiasts out there! These sessions are for Home Educated children and their families.

Marine Protected Areas

Monday 3rd February; 2pm – 4pm

Learn what a Marine Protected Area is, why they are important and what MPA's we have in Yorkshire. Participants will get to design their own MPA as well as getting creative on the beach.

Sounds of the Seashore

Monday 2nd March; 2pm – 4pm

We will explore the sounds we have on the seashore. Using mini-hydrophones we will see if we can record what is going on in our rockpools and create an underwater soundscape!

Oceanography

Monday 6th April; 2pm – 4pm

We will be learning about the science of Oceanography, looking at tides, ocean mapping and technology used to explore the seabed.

Marine Life and Taxonomy

Monday 4th May; 2pm – 4pm

We will be looking at the diversity of marine wildlife and how they are grouped together. We will then explore the shore at South Landing to see how many different taxonomic groups we can find!

Plankton

Monday 1st June; 2pm – 4pm

We will be looking at some of our tiniest marine wildlife – the plankton. Using our microscopes we will try to identify phytoplankton and zooplankton. We will then design our own!

Geology and Fossils

Monday 6th July; 2pm – 4pm

We will be learning about the history of our local rocks before exploring our extensive collection of fossils. We will then head down to the beach to find our own treasures.

Intertidal Marine Life

Monday 7th September; 2pm – 4pm

Learn about the fascinating wildlife we have here on the shore at South Landing before heading out on a Seashore Safari to see what we can find.

Bird Ringing and Migration

Monday 5th October; 10am – 12noon

Join our friends from Flamborough Bird Observatory as we learn about the science of bird migration. If weather conditions allow we will also get to see birds in the hand as they are ringed by FBO experts.

Waves of Waste

Monday 2nd November; 2pm – 4pm

Join us for an autumn beach clean and learn more about the problems of marine litter. We will be analysing the litter collected and summarising our findings.

Habitats and Adaptations

Monday 7th December; 2pm – 4pm

We will be learning about the habitats we have here in the North Sea before heading out on to the shore to look at some of the adaptations animals have to living on the seashore.

All sessions take place at the Living Seas Centre, South Sea Road (South), Flamborough, YO15 1AE. Charges are £5 per child YWT-member; £7 per child non-member. Booking essential at ywt.org.uk/events or call 01904 659570.

Waves of Waste

Marine litter is one of the biggest threats to our marine environment. It affects wildlife through entanglement and ingestion as well as polluting our seas. You can help reduce these threats by taking part in a beach clean with Yorkshire Wildlife Trust.

Spurn

Saturday 28th March; 11am

Saturday 27th June; 12noon

Saturday 5th September; 11am

Saturday 5th December; 11am

Meeting Point: Spurn Discovery Centre, Spurn Road, Kilnsea, Hull HU12 0UH.

South Landing, Flamborough

- Under 18s must be accompanied by an adult
- Litter pickers, gloves and bags provided
- Wear stout footwear and dress for the weather

Summer on the Yorkshire Coast

In summer the Yorkshire coast really comes alive! The cliffs are brimming full of noisy seabirds; porpoise and seals can be spotted in calm seas and the cliffs are awash with a rainbow of wildflowers.

World Ocean Day Celebration

Join us for a weekend of **exciting events** to celebrate the North Sea as part of the global World Ocean Day celebrations. We will be open 10am to 5pm on Saturday 6th and Sunday 7th June with information, activities and displays all around the Living Seas Centre to celebrate our local marine wildlife. We will also be running the following events:

Seashore Safari

Saturday 6th and Sunday 7th June; 11am

Beach Art

Saturday 6th and Sunday 7th June; 1pm

Beach Combing

Saturday 6th June; 3pm

Check our social media closer to the time for further details.

Join us...
On Sunday 7th June
for a beach clean!
Help us make South
Landing pristine
and rubbish-free.
All are welcome.

SEAN DOUGAN

Volunteer Open Morning Living Seas Centre

Monday 1st June; Drop in any time 10am – 1pm

Do you like spending time on the beach? Can you enthuse others about our local marine wildlife? Summer is a busy time for us so come along to the Living Seas Centre and see what volunteer opportunities we have available.

Wild Yoga - Yoga and trees Living Seas Centre

Tuesday 2nd June; 3.30pm – 5pm

Try out yoga tree postures and variations with support, partners and even trees! This is the first in a six week programme of yoga sessions at the Living Seas Centre.

Nighttime Seashore Safari Living Seas Centre

Friday 5th June; 10.30pm – 12.30am

Join us for a Seashore Safari with a difference. We will be heading out on to the shore under the cover of darkness to see what goes on in our rockpools at night!

World Ocean Day Celebrations Living Seas Centre

Saturday 6th June and Sunday 7th June

Join us for a weekend of exciting activities as we join the rest of the world and celebrate our oceans! See full page listing for more details. Living Seas Centre open daily 10am to 5pm with free activities on in the Discovery Room. We will also be heading out on seashore safaris, going beachcombing and creating some beach art.

Wild Yoga - Yoga and whales Living Seas Centre

Tuesday 9th June; 3.30pm – 5pm

Inspired by the whale bridge at South Landing, discover more about your own breath as we

learn how whales breathe before trying out the yoga bridge and whale postures. This is the 2nd in a six week programme of yoga sessions here at the Living Seas Centre.

Wild Yoga - Yoga and nature Living Seas Centre

Tuesday 16th June; 3.30pm – 5pm

Explore yoga postures that are linked to nature, including the eagle! Hand gestures associated with flowers, bees and birds will also be explored before a sky mindful meditation. This is the 3rd in a six week programme of yoga sessions at the Living Seas Centre.

Seashore Safari Living Seas Centre

Saturday 20th June; 11am – 1pm

It's Puffin Fest 2020! Join us at the Living Seas Centre and discover the hidden world that seabirds like the puffin depend on. We will go in search of crabs, fish, snails, seaweeds and all sorts of other weird and wonderful wildlife.

Science Sunday Living Seas Centre

Sunday 21st June; Drop in any time 10am – 5pm

For all those budding marine biologists out there. It's Puffin Fest 2020! Come along and learn all about this magnificent seabird, alongside all the others that make the Flamborough Headland their home for the summer.

Seashore Safari Living Seas Centre

Sunday 21st June; 11am – 1pm

It's Puffin Fest 2020! Join us at the Living Seas Centre and discover the hidden world that seabirds like the puffin depend on. We will go in search of crabs, fish, snails, seaweeds and all sorts of other weird and wonderful wildlife.

Wild Yoga - Yoga and the sounds of nature

Living Seas Centre

Tuesday 23rd June; 3.30pm – 5pm

Explore simple yoga exercises linked together with sounds. Try the humming bee breath, the roaring lion pose and discover where the most important sound in yoga originated from! This is the 4th in a six week programme of yoga sessions at the Living Seas Centre.

Wild Yoga - Yoga and animals

Living Seas Centre

Tuesday 30th June; 3.30pm – 5pm

Explore yoga positions that are taken from the posture of animals. This will include the frog, the crocodile, the snake and others. This is the 5th in a six week programme of yoga sessions here at the Living Seas Centre.

Seashore Safari

Living Seas Centre

Sunday 5th July; 11am – 1pm

Take a Seashore Safari in search of crabs, fish, snails, seaweeds and all sorts of other weird and wonderful wildlife.

Wild Yoga - Yoga and the mountains

Living Seas Centre

Tuesday 7th July; 3.30pm to 5pm

See the variety of mountain postures and try them out yourself, feeling the benefits. This is the final session of a six week programme of yoga sessions here at the Living Seas Centre.

Science Sunday

Living Seas Centre

Sunday 19th July; Drop in any time 10am – 5pm

For all those budding marine biologists out there. This month we will be taking a closer look at our marine wildlife with our microscopes.

Seashore Safari

Living Seas Centre

Tuesday 21st July; 11am – 1pm

It's Seashore Wildlife Week at the Living Seas Centre. Join us on a Seashore Safari in search of crabs, fish, snails, seaweeds and all sorts of other weird and wonderful wildlife.

Marine Life Past and Present

Danes Dyke

Thursday 23rd July; 1pm – 4pm

Join us as we explore the geology and rockpools of Danes Dyke and learn what they tell us about our marine life past and present.

Seashore Safari

Living Seas Centre

Sunday 26th July; 3pm – 5pm

It's Seashore Wildlife Week at the Living Seas Centre. Join us on a Seashore Safari in search of crabs, fish, snails, seaweeds and all sorts of other weird and wonderful wildlife.

Family beach yoga

Living Seas Centre

Tuesday 28th July; 2pm – 3.30pm

It's Marine Mindfulness Week at the Living Seas Centre. Why not come along and try some beach yoga and discover relaxation for all the family in the midst of a busy summer!

Family mindfulness walk

Living Seas Centre

Thursday 30th July; 2pm – 4pm

It's Marine Mindfulness Week at the Living Seas Centre. Join us for a mindfulness walk around South Landing using all our senses. Discover relaxation for all the family in the midst of a busy summer!

Nature sketching workshop

Living Seas Centre

Sunday 2nd August; 11am – 1pm

It's Marine Mindfulness Week at the Living Seas Centre. This workshop will introduce you to the skills needed to stop, take note and capture your local environment through sketching.

Seaweed Safari

Living Seas Centre

Tuesday 4th August; 11.30am – 1.30pm

It's Seaweed Week at the Living Seas Centre. Join us on a special Seaweed Safari to discover the amazing flora to be found on our shores.

Seaweed Safari

Living Seas Centre

Sunday 9th August; 2pm – 4pm

It's Seaweed Week at the Living Seas Centre. Join us on a special Seaweed Safari to discover the amazing flora to be found on our shores.

Seashore Minibeasting

Living Seas Centre

Tuesday 18th August; 10am – 12noon

It's Marine Science Week at the Living Seas Centre. Join us for some Marine Minibeasting as we head out to some of our rockpools and have a closer look at some of our smaller seashore wildlife.

Extreme Seashore Safari

Living Seas Centre

Thursday 20th August; 11.30am – 1.30pm

It's Marine Science Week at the Living Seas Centre. Take a Seashore Safari in search of crabs, fish, snails, seaweeds and all sorts of other weird and wonderful wildlife. Today is an extra low tide so we can explore bits of the shore not normally uncovered.

Batty Bats and Magical Moths

Living Seas Centre & South Landing LNR

Friday 21st August; 7.45pm to 9.45pm

Discover the wildlife that makes the woods and meadows at South Landing their home when night falls. Learn how to use a bat detector with the East Yorkshire Bat Group and listen for bats hunting around us. See the true beauty of moths as we gather round the moth light with specialist Allan Rodda. Before the sun sets you can take part in arts, crafts and activities with the Yorkshire Wildlife Trust in the Living Seas Centre. Charges apply and booking essential. Book at www.bridspa.com/events or call **01482 395320**

Extreme Seashore Safari

Living Seas Centre

Sunday 23rd August; 1.30pm – 3.30pm

It's Marine Science Week at the Living Seas Centre. Take a Seashore Safari in search of crabs, fish, snails, seaweeds and all sorts of other weird and wonderful wildlife. Today is an extra low tide so we can explore bits of the shore not normally uncovered.

Seashore Detective

Living Seas Centre

Tuesday 25th August; 11am – 1pm

It's Sharks and Rays Week at the Living Seas Centre. Become a Seashore Detective and help us scour the beach for clues that tell us about our local marine environment. In particular we will be looking for mermaid's purses (shark egg cases) alongside all sorts of other treasures.

Seashore Detective

Living Seas Centre

Sunday 30th August; 12.30pm – 2.30pm

It's Sharks and Rays Week at the Living Seas Centre. Become a Seashore Detective and help us scour the beach for clues that tell us about our local marine environment. In particular we will be looking for mermaid's purses (shark egg cases), alongside all sorts of other treasures.

Autumn on the Yorkshire Coast

Witness the amazing spectacle that is bird migration! The Yorkshire coast is often first landfall for birds such as fieldfare, redwing and goldcrest as they arrive from Scandinavia to spend the winter here in the UK.

Migweek 2020

Filey and Flamborough Ringing & Migration Week

Saturday 10th October to Sunday 18th October

This ever growing celebration of the wonders of migration will once again be returning in 2020. With events happening along the coast from Filey Country Park via Flamborough Head to South Landing, there will be plenty to get involved in throughout the week.

Activities across the weekend include...

- Guided bird migration walks
- Daily bird ringing demos
 - Evening talks from ornithological experts
- Guided migration watch - known as vizmiging!

For full details check out Yorkshire Wildlife Trust Living Seas Centre, Flamborough Bird Observatory and Filey Bird Observatory and Group on social media nearer the time.

BEV LYMAN

Marine Life Past and Present Walk Sewerby Steps

Wednesday 2nd September; 10am – 1pm

It's Geology and Fossils Week here at the Living Seas Centre. Join us as we take a walk along the beach at Sewerby looking at our marine life past in the fossils, and marine life present in the rockpools.

Fossil Roadshow Living Seas Centre

Thursday 3rd September;

Drop in any time 10.30am – 4pm

It's Geology and Fossils Week here at the Living Seas Centre. Join us in the Discovery Room for our fossil roadshow. If you have a rock or fossil you want identifying bring it along!

Science Sunday Living Seas Centre

Sunday 20th September;

Drop in any time 10am – 5pm

For all those budding marine biologists out there. This month we will be looking at marine plastics and what we can do to stop polluting our seas!

Science Sunday Living Seas Centre

Sunday 18th October;

Drop in any time 10am – 5pm

For all those budding nature enthusiasts out there. This month we will be looking at the science of bird ringing and migration.

Sea life pumpkin carving Living Seas Centre

Monday 26th October;

Drop in any time 10am – 1pm

Join us for some pumpkin carving with a difference, inspired by some of our favourite sea life! Booking essential so we know how many pumpkins we need!

Seashore Detective Living Seas Centre

Tuesday 27th October; 11am to 12.30pm

Become a Seashore Detective and help us scour the beach for clues that tell us about our local marine environment. We will be searching for fossils, shells, eggs, bones and all sorts of other treasures.

Sea life pumpkin carving Living Seas Centre

Wednesday 28th October;

Drop in anytime 1pm – 4pm

Join us for some pumpkin carving with a difference, inspired by some of our favourite sea life! Booking essential so we know how many pumpkins we need!

Fossil Roadshow Living Seas Centre

Thursday 29th October;

Drop in any time 10.30am – 4pm

Join us in the Discovery Room for our fossil roadshow. If you have a rock or fossil you want identifying bring it along!

Halloween Nighttime Seashore Safari Living Seas Centre

Saturday 31st October; 9.30pm – 11.30pm

Join us for a Seashore Safari with a difference this Halloween. We will be heading out on to the shore under the cover of darkness to see what goes on in our rockpools at night!

MARKUS SPIRKE
