

You will need:

- 3 corks
- 1 toothpick
- 2 elastic bands
- Cotton string
- 1 triangle of card

Instructions

Place the 3 corks together and fasten with the elastic bands

Attach the length of cotton string to your boat by tying it to an elastic band (this will stop your boat from getting lost)

Insert the toothpick into the central cork of your boat to make a mast

Now decorate the triangle of card with coloured pens to make a flag

Put your card flag onto the toothpick mast

Congratulations! You have made your very own boat... now test it to see if it floats! Don't let go of the string though or your boat may go sailing the world!

Our arts and crafts activities are available for everyone to enjoy. If you want to make a donation so that we can continue to provide these, please donate online or become a Yorkshire Wildlife Trust member.

TOP FACT!

Local fishermen still use traditional Yorkshire cobble boats for fishing and tourist trips!
