

You will need:

- 2 pieces of (a5) coloured card
- 2 eye stickers
- Tissue paper
- 1 pair of scissors
- 1 glue stick
- Coloured pens

Instructions

Using a template draw the shape of an octopus on both of your pieces of card

Cut out both these shapes so you have 2 octopus heads

Now, decorate your octopus heads, don't forget to put the eyes on one of them!

Take your octopus head with the eyes on, turn it over so the eyes are facing the table and now rip strips of tissue paper and stick them on like tentacles. These go on the bottom of your octopus.

Once you are happy with the tentacles, glue the back of your octopus head on top of the tentacle so that the octopus is whole.

Congratulations! You have an octopus friend!
