Love Yorkshire, Love Wildlife

Our oceans have become full of litter and it's harming our wonderful sea life. Circle all the items that shouldn't be there and then colour in the picture!

Did you know? 20,000 tonnes of litter is dumped into the ocean every year! Remember to pick up all of your litter so you can help this become less!

The sea does so much for me so what can I do for the sea?

Use the blank space below to write or draw what you think you can do to help protect our precious seas!

Give a talk about the sea in front of your class?

Family beach clean?

What am I?

Use the riddles below to work out the answers!

1. Many people think I am red, however this is not true.
When I'm swimming free, I'm actually blue! What am I?

2. I stick to the rocks and barely move, but when I do, I leave a
round shaped groove! What am I?

3. I'm larger than a lake but smaller than an ocean, when it's stormy
outside I make quite a commotion! What am I?

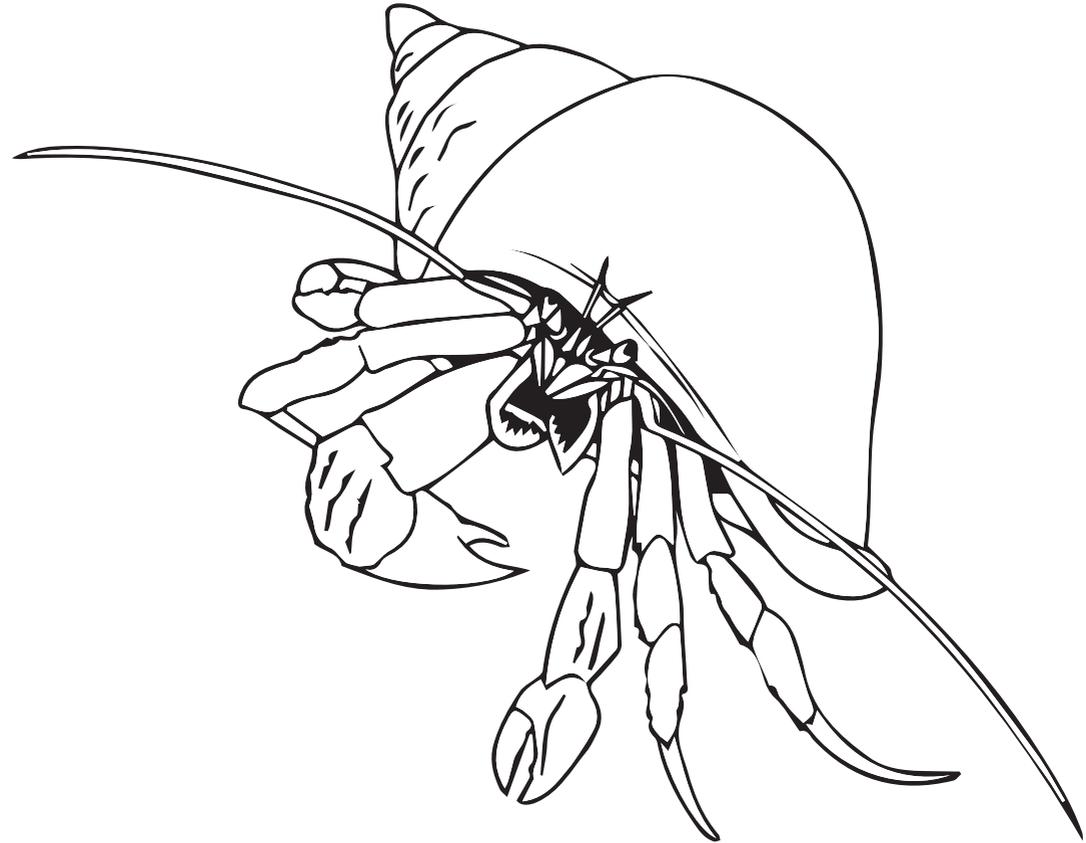

4. I love to find shells wherever I roam. I don't just love them, they
make a brilliant home! What am I?

5. You may think I look like a blob of jelly out on the bay, but when
the tide arrives I release my tentacles and catch my prey!
What am I?

6. I'm brown, red or green growing tall and free. I'm slippery and
slimy, I'm the plant of the sea! What am I?

Colour me in!

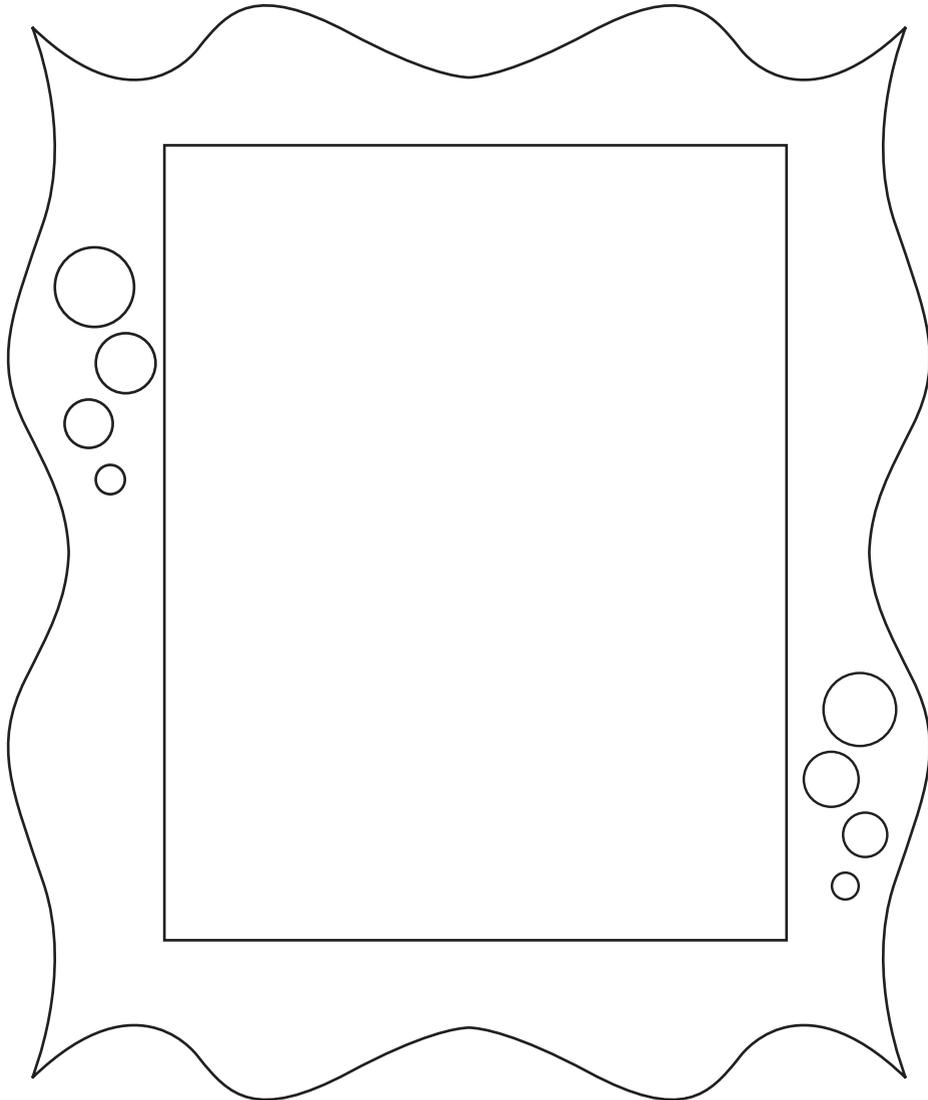

Hermit crab

Did you know? Hermit crabs find empty shells to change into as they grow!

Ocean Frame

Design and colour in your frame, then ask an adult to cut it out, stick it to cardboard and add your favourite seaside photo!

Wordsearch

Can you find all these sea related words in the word search below?
Cross them off as you go!
