

Yorkshire
Wildlife Trust

What can your business do to help stop our seas from choking?

Ideas for employees

Bring a reusable cup

Recycle effectively

Litter pick outside the office

Speak to your colleagues and managers / post on noticeboards / team meetings

Consider being a Marine Pollution Champion

Ideas for senior management

Provide incentives for employees, such as free reusable cups

Organise corporate away days such as beach cleans or litter picks

Improve facilities such as recycling, water fountains and reusable stocks

Speak up in the industry and challenge bad practices/ encourage good practices

Financially support a conservation initiative, like bins, litter picking boards or becoming a Yorkshire Wildlife Trust corporate member
